Twenty years have gone by, and look how things have changed. Fads, T.V., movies, music and dances are new almost every season. But no matter how much things have changed around us, Valley High School has remained, and will remain, a school superior to all others in its own special way. Falcons have kept up the tremendous momentum of spirit, an old Valley tradition; and, in twenty years, let's hope we can look back and see a school that we can still be proud of.

# The Way We Were . . .

Senior Class Officers: left to right, Lee Harris, boys' student relations, Mabel Durand, girls' student relations, Alma Hernandez, president, Debbie Camp, secretary, not pictured, Diane Carmona, vice-president, Marlene Hernandez, historian.

The Class of '79 entered the school as scared little freshmen, not feeling ready to step into the role of high school students. When we came to Valley we were led by President Anna Robles.

As sophomores, we began to get more into the swing of things. We started to show our pride and spirit for Valley by participating in pep assembly competitions.

Before we knew it, it was our junior year and time to begin making plans for the future. But there was also fun. The year was highlighted by the Junior-Senior Prom held at The Queen Mary in Long Beach.

Keeping in accordance with tradition, our senior year was best of all. Our class was the first to have the dubious honor of having to pass a proficiency test in order to receive a diploma. We were faced with many other worries such as completing required classes to gain credits, planning for college, and looking toward future goals. We pushed our worries aside, however, and made the best of our senior year. Some of our most memorable moments were: initiating the New Year (T.P.'ing the school), football games, Straw Hat, getting out of third period (senior meetings), winning competitions at pep assemblies, senior pictures, cap and gown orders, senior announcements, senior picnic, the prom, and, finally, Graduation Day.

Through our years at Valley we experienced much about life. We matured into young men and women ready to face the world on our own. We formed everlasting friendships which will never be forgotten with fellow students as well as faculty members.

Now that we are leaving the halls of Valley we can look back and appreciate our high school years knowing that they have enriched our lives. Look out world—here comes the Mighty Class of '79.

## State Conventions Fulfilled Expectations

Patrick Higa

"My stay at Girls' State, during the summer of '78, was a well fulfilled and knowledgeable experience.

"Building our own governments, electing its officials, forming political parties, and mainly learning our state's governmental functions was the purpose of this week long conference.

"Arriving in Sacramento alone and feeling friendless and maybe a bit lost, I soon acquired a great number of friends. Although we all came from different parts of California we soon learned that we were very much alike in many ways. We all became great friends; and on the final day, we found ourselves saying goodbye with eyes full of tears.

"Girls' State was an experience which will always remain in my heart. I only wish that more than one person could have shared in the experience. I thank Valley High School for making this opportunity available to me."

Anna Ramirez

Girls' State  
Representative

"In all of my school years, no greater learning experience has been presented to me than to be chosen Valley's California Boys' State Representative.

"The thought of gathering with one thousand young men from all over the state really put me on edge. At first I felt so unimportant and insignificant, but I knew everybody else felt the same way. Knowing this, my fear seem to disappear.

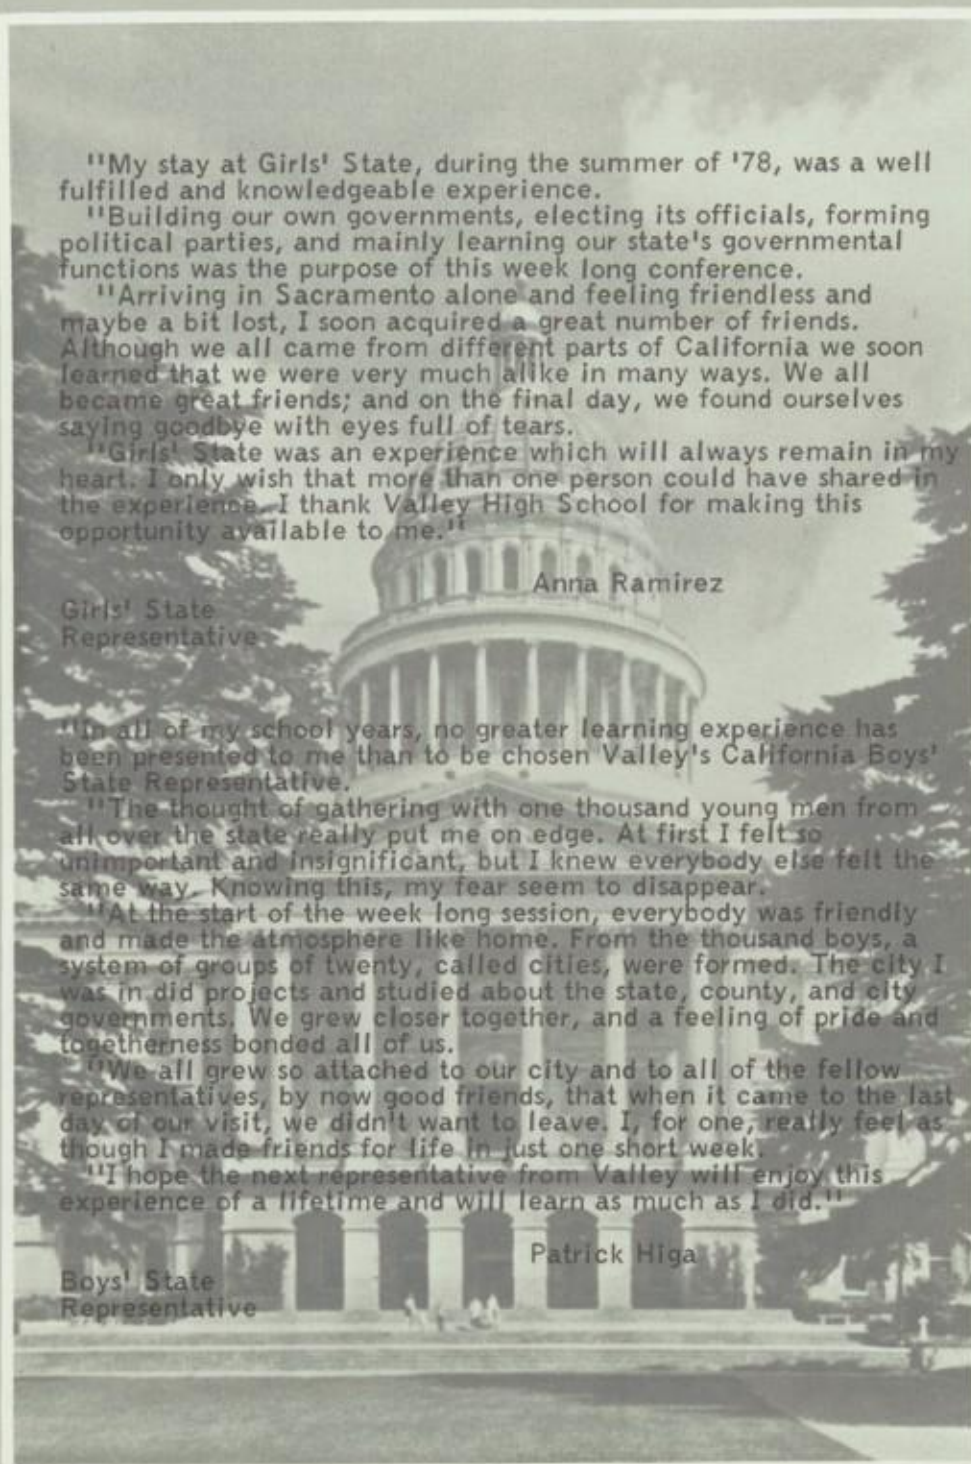

"At the start of the week long session, everybody was friendly and made the atmosphere like home. From the thousand boys, a system of groups of twenty, called cities, were formed. The city I was in did projects and studied about the state, county, and city governments. We grew closer together, and a feeling of pride and togetherness bonded all of us.

"We all grew so attached to our city and to all of the fellow representatives, by now good friends, that when it came to the last day of our visit, we didn't want to leave. I, for one, really feel as though I made friends for life in just one short week.

"I hope the next representative from Valley will enjoy this experience of a lifetime and will learn as much as I did."

# Clever, Superior, Fantastic . . . That's C.S.F.!

Officers: T. Mulcahy, pres., K.L. Smith, v.-pres., R. Sutherland, sec., and K. Armstrong, treas.

Lack of admiration was never one of C.S.F.'s major problems. These academically inclined students were always admired by the entire student body.

The high standards established by the California Scholastic Federation were only met by a few qualified students, and not all those who applied were selected. That is to say, membership was not automatic.

In order for a person to qualify to join, he must have had at least three A's and one B.

The highest academic honor the school can give is the title of sealbearer. To be a sealbearer, a person must have been in C.S.F. at least four semesters, including, his senior year.

Advisor: Mrs. Beverly Hill

The Talon staff salutes these high academic achievers.

Several students were absent the day the picture was taken.

These additional members were: J. Allsep, S. Brokaw, Z. Kearney, C. Nguyen, C. Baum, D. Carrie, A. Afflije, D. Barba, H. Bennett, D. Bone, D. Brown, F. De Santiago, P. Landry, F. Johnson, J. Additional sealbearers not pictured were: Jayni Allsep and Carrie Baum, Sue Brokaw.

Peter Gjertsson

**"I liked the school . . . the people . . . and the classes."**

The 1978-'79 year brought many surprises to the Valley student body. One of the most appreciated was the arrival of Valley's exchange student, Peter Gjertsson. Originally from Coteborg, Sweden, Peter lived with his "American" family, the Boheims for the year.

Peter's many interests include travel and classical piano. In language travel courses he has been to Germany, England, and Malta with groups of other students.

His basic school interests are: science, Student Council, and languages. He speaks French, English, German, Norwegian, and Swedish.

Peter acts as chairman of a group of Swedish scouts, an organization similar to the Boy Scouts of America.

When he returns to Sweden as a junior, Peter, we hope, will cherish his memories of Valley High School.

contest were selected by grade point average, test scores, and counselor and teacher recommendations.

The teams competed by answering questions on many topics such as speech, grammar, mathematics, fine arts, and many other areas.

# Super Seniors Recognized

Each month two deserving seniors were selected to represent their peers as boys and girls of the month.

The Rotary Club and Valley's Girls' League, two service organizations of note, combined efforts to select these special seniors.

Participation, academic ability, and service to Valley High School were some of the qualifications for selection.

Congratulations to those selected seniors, and may they continue to achieve rewards and fame.

Donna Wager

Once upon a time there were seven Varsity Cheerleaders: the leader Mich, the Donz, the Manz, Lil'Debs, Judy Booty, Le Monz, and Baby Char. Their fairy tale began at USA Cheer Camp in Santa Barbara, where all their dreams came true. Superior Ribbons along with a Superior Trophy were awarded for their unique performances. They also kept the cheerleading tradition alive by bringing home the USA Spirit Award.

When they returned to the kingdom of Valley, they reigned over the year with excellent assemblies and supported numerous sports activities throughout the year. They met each challenge and conquered each task with determination and pride, thus gaining the crown of success.

Deeper into their story, we found that their fairy tale had many unforgettable memories which included: cheering for CIF, singing in the elevators at camp, Charlie's impersonation of John Travolta, "Pineapple", watching the sun rise at Newport Beach, "yo' face!" Nikes, crusin', munchin' out, decorating the Bowl, Straw Hat Pizza Parlor, busted in the camp dorms, Mr. Palacio, picking up megaphones when the girls lagged on cheers, and most important their camp song "Make it Something Special", which they did.

Their glorious reign ended at their cheerleading banquet, where tears were shed and hugs were exchanged. Their story ended with the feeling of closeness and accomplishment, leaving memories which will live in their hearts, "happily ever after".

Students were able to loosen up and enjoy the new style to such modern tunes as "Shame" and "Too Hot Ta' Trot". Homecoming was a time to remember. During the week of Homecoming, many activities were held including the special dress-up days in which students showed their spirit.

The highlight of the homecoming week was, of course, the "big day" in which

Kangaroo Court was presented and the Homecoming Royalty was introduced. The half-time ceremonies and fireworks of the homecoming football game announced Sam Streeter and Yvonne Lorenz as the reigning King and Queen for 78-79. It was a special day, which brought excitement, laughter, victory, and happiness which will be kept within our hearts..

Ronald Reeves-editor-in-chief

Debbie Beck-advisor

Ooooo, Miss Beck!

Constantly striving to keep the Valley student body informed and entertained, the Falcon staff worked diligently all year. Under the guidance of Ronald Reeves, the page editors prepared each issue of the Falcon well. A member of the National Scholastic Press Association and the International Quill and Scroll, the Falcon admirably represented Valley in several interscholastic competitions. Working together to produce a bi-monthly newspaper is a difficult job. However, the people on the Falcon staff proved it to be a terrifically rewarding year.

## Art Club . . .

### A Self

### Portrait

One of Valley's most creative groups, the Art Club, provided many pieces of artistic mastery for the campus of Valley High. In January, the Art Club made a trip to Tinsel Town, 35 miles north of Santa Ana. They watched the taping of "The Jeffersons" and NBC's new hit, "Hello Larry". Under direction of Mr. Bernie Hawn and Mrs. Sherye Fipp the club was extremely successful throughout 1978 and 1979. Being a "committee" organization, the Art Club had no officers.

# Shooting The Slopes!

Outstanding participation and hard work of the photography club members gave the club its most rewarding year. Under the guidance of Advisor Ron Rogers and leadership of President Lezli Calliham, club members participated in photo trips to both Lake Arrowhead and Los Angeles.

To display their talents, several members entered some of their work in photography contests around the country.

The hard working also did an expert job on personalized photograph calendars that made a big hit with the students on campus.

The members of this active club were: President Le Calliham, Secretary Treasurer J. Hirsch, Q. Cung, C. Pagan, A. Wells, C. Coulter, A. Neito, J. Garcia, Joshua Hirsch, D. Sumner, B. Pilawski, C. The spring play "Pajama Game" was also a big hit with students. Because most Drama Club members are underclassmen, next years plays should be even more stupendous.

They just don't know how to act!

Girls' League members participated in many activities. Some of these activities included candy sales, Valentine sales, and other food sales promoting Spirit Week. Club President Celia Urias and Vice-president Judy Adams showed fine direction which made these fund raisers very successful.

Led by the excellent speaking ability of its members, The Valley Forensic Team continued to be a fine representation of academic excellence. Students in both novice and varsity divisions competed in many tournaments throughout the year from Los Angeles to San Diego. Speech team coach Debbie Beck had reason to be proud of her team's accomplishments because they won certificates of excellence and superiority and several trophies at these tournaments.

According to senior team member Patricia Cisneros, "Speech is a great way to gain self confidence and poise in front of people. It's also a lot of fun. We have a great time doing everything in speech; 1978-79 was a fantastic year for us." This statement was evident in that the members of this year's team were not only excellent students but also wonderful people and great friends, further proving that school activities can be fun and meaningful.

Time is precious  
and so are friends,  
Education is one thing that never ends.  
And now it's time for us to feature  
All of the hard working Valley teachers.  
They've worked long and hard to be helpful and showing  
In the hope that students will get where they're going.  
And most of the time students take for granted  
The seeds of knowledge that have been planted.  
It's time to thank these special friends

## The Administrators And Staff Guided Our Paths For Four Years At Valley.

The administration and faculty of Valley did an outstanding job of helping students and keeping Valley running smoothly this year.

Principal Ivan McKinney, worked diligently to keep standards of the students high and the school unblemished.

Mr. Remijo Alvarez and Mr. Paul Huston, assistant principals of student services, did outstanding jobs keeping students out of trouble and in the classroom. They also proved to be helpful persons to talk to if students had any problems.

Mr. Ron Stoker, assistant principal of curriculum, worked with department chairpersons to develop Valley's courses of study. Mr. Stoker worked long and hard hours to get students motivated in their classes.

Mr. Johnny Williams, guidance coordinator, and his staff planned programs and kept good records on all Falcons.

Leading the students in all activities was Mr. Howard Booker. Always ready to lend a hand, Mr. Booker was the main factor that led to the success of many programs on Valley campus.

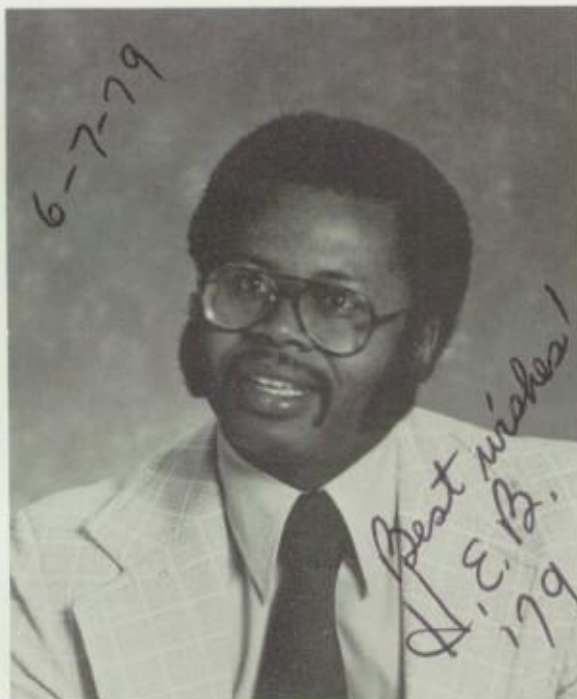

The faculty of 1978-1979 proved to be one of the best that Valley has ever had. The senior class thanks these wonderful educators for providing a stepping stone to the future.

The mighty class of '80 was led with vigor and vitality by President Karen Armstrong, Vice-president Sandy Durand, Historian Tina Carver, Girl Student Relations Representative Angie Cooks, Secretary-treasurer Jackie Demyers, Boy Student Relations Representative Scott Calliham.

The Junior Class was honored this past year, when Peter Gjertsson, Valley's exchange student from Sweden, participated in school activities with them. Peter helped the Junior Class to broaden their horizons and to learn of different cultures! Peter acted as an honorary member of Student Council.

During Spirit Week the class of '80 sponsored T-shirt and shorts day. At Valley's victorious Homecoming game, Scott Calliham and Gloria Rivas represented the Junior Class in the Homecoming Court as prince and princess. At the game juniors sold balloons to raise money for the Junior-Senior Prom.

This year's magnificent prom, held at the beautiful Registry Hotel in Irvine, will be relived in memory for years to come.

When the juniors take over the lead as the top class at Valley in September, they will add one more memorable year as one of the best classes in the school's history.

The Sophomore Class of '81, led by Maria Ramirez, proved to be one of Valley's most spirited classes. Destined to be remembered as one of Valley's finest, the class of '81 will prove itself to be strong.

Other officers included: Raul Salera, vice-president, Michelle Barnes, secretary-treasurer, David Begay, boy student relations, Joanne Cruz girl student relations, and Tammy Dooley, historian.

The sophomores sponsored the Christmas Dance at which a king and queen were chosen from "Falconland". For fund raisers they sold candy and buttons. Overall, the sophomores were terrific!!

# Today's Sophomores Tomorrow's Juniors

Homework rots my brain!!

Eat your heart out, Mr. Boggie!

What did you say?

Hate to eat and run.

Hurry, it is due today.

The freshmen officers of the '78-79 year, elected in October, were, from left to right, back row: Anna Maria Pinon, vice-president, Scott Malcom, boy student relations, Vivian Hatchett, class historian, middle row: Alice Franklin, president, front row: Zina Bell, girl student relations, and Melody Glover, secretary-treasurer.

Despite some discouraging comments from the upperclassmen, as well as the annual initiations, these freshmen were a class of fun-loving, spirited individuals. The freshmen were loud at pep assemblies, full of spirit at football games, and active participants in after-school sports.

Today these older and wiser freshmen are looking forward to September when, as upperclassmen, they will say, "Valley High we're here to stay!"

## Championship Football . . .

by Dick Hill  
Head Coach and Athletic Director

1. "We are dedicated to the idea that each player should achieve his own maximum physical potential. This requires a physical development program for all year summed up in desire, dedication, and discipline.
2. We are dedicated to the idea that all players should be as good academic students as is possible, for their own God-given mental capacities. There is no standard procedure in accomplishing this; but we work with the players as individuals and encourage them to study, attend class, and do their best to meet the standards of each individual teacher.
3. We stress character and the development of it which will keep our young people healthy and will develop a better society. Our society today has strayed from many values that help us to get along better with each other. We are praying and will pay a great price for the neglect of these values. Therefore, there are moral laws that will be taught in Valley's football program.
4. We believe there is a need for spiritual development in young people. Fellowship with God is the answer to the problems and questions of our young people. We encourage our athletes to seek the answers and needs in their own lives as provided in the Bible."

FALCONS fought their way to the CIF PLAYOFFS ...

With Valley getting off to one of their worst starts since 1970, 0-4 1978 Falcon gridiron buffs began to wonder if this was the year of the downed Falcon.

Beginning one of the most rigid schedules in Valley's 19-year history, the 39-men who comprised coach Dick Hill's nucleus had the home field advantage five times out of 11 dates. The first of six away games was against Servite High School. A 1978 CIF Big Five Conference finalist, the Friars befelled the Falcon offense, thus keeping it off balance most of the night and forcing the Falcon defense to be on the field at a minute's notice. Unfortunately the final result was a 14-0 setback for Valley.

In their home debut, the Falcons were thrashed 33-7 by Santiago High School who, surprisingly, had little trouble disposing of the Falcons.

Usually a strong running team, Valley was held to a mere nine yards in the first quarter, 29 yards in the first half, and 60 yards total. Quarterback Cliff Jones fared well though, hitting eight of 14 passes for 131 yards and one interception.

# Falcons Entered C.I.F. Playoffs

Trying to win their third Century League Championship in as many years, Valley's first League confrontation was against eventual champion and 1978 CIF Southern Conference Champion, El Modena. Sporting a somewhat veteran team, the Vanguard offense mustered two touchdowns while their defense held the Falcon offense to one touchdown, to hold on for a 14-7 victory.

back into its proper perspective, the Falcons were snort on excuses and long on self-criticism after bowing for the third time in as many weeks. Depending on mostly defensive strength for the first four games of the 1978 campaign, Valley saw the opposing quarterback throw two first down passes and a touchdown spiral to lead Villa Park to a 67-yard scoring drive which beat Valley, 7-0.

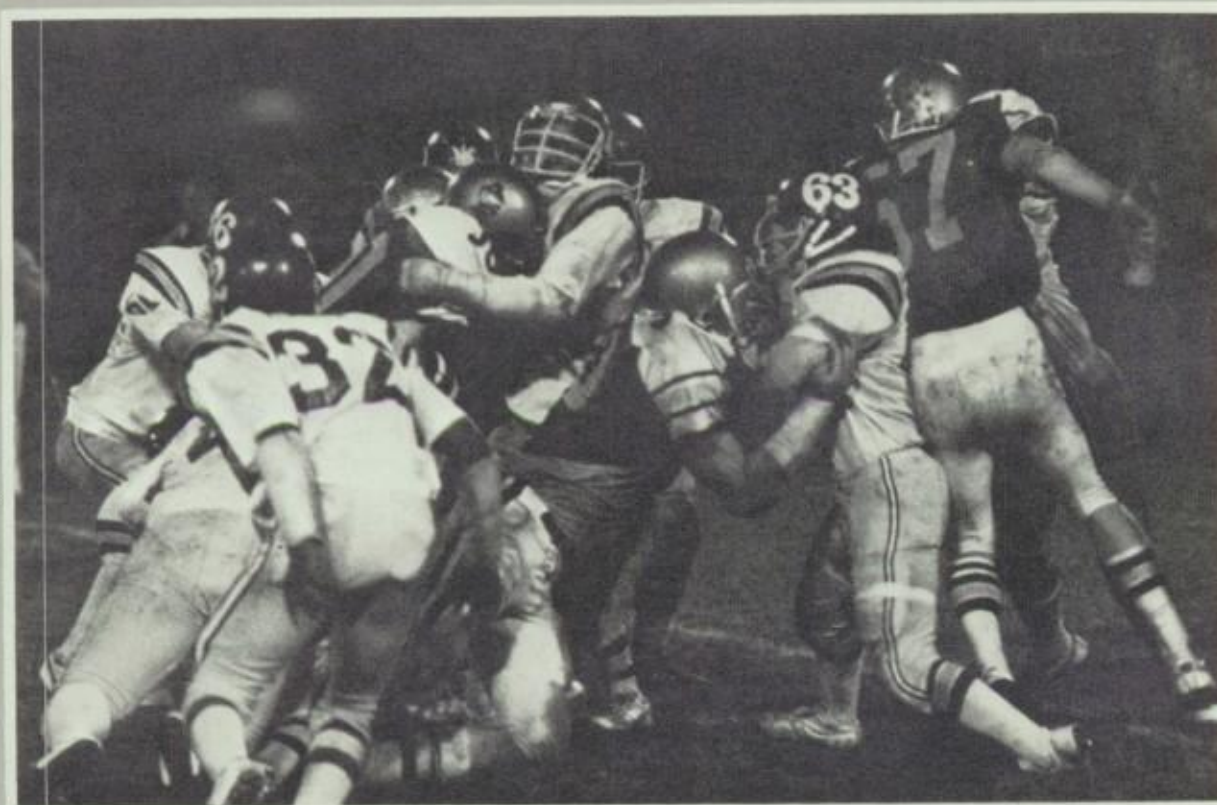

In trying to make a rare Century League comeback, Allen Liufau led the Falcons and derailed previously unbeaten Canyon High School, 15-6. This win marked the first season of league win for the

Falcons in 1978. Liufau who rushed for 198 yards-(181 in the second half) was named Orange County Player of The Week.

Like a good jockey, waiting until the crucial moment on the back stretch, Hill applied the whip to his CIF Southern Conference contending Falcons.

They flew past Foothill like thoroughbreds, 14-6, after scoring two touchdowns in the final seven minutes of play. Valley went ahead 7-6 on its only sustained drive of the game, and Liufau's 35-yard interception returned for a touchdown, put the game out of reach.

After jumping off to a blundering 0-4 start, the Falcons strung together two victories and leveled their League record at 2-2. Furthermore, the rejuvenated Falcons tangled with the Orange Panthers in their Homecoming skirmish. Playing conservatively most of the first half, Valley broke clean in the second half and went on to record a 23-19 victory.

Combining a powerful offensive attack with a hard-hitting defense, Valley limited Santa Ana ball carriers to a mere 11 yards rushing in the first half to go on to upend their cross-town rivals, 39-13.

Senior tailback Liufau was the catalyst for the Falcons as he ripped through a pourous Saint defense for 193 yard rushing and three touchdowns. Leading the defensive attack was All-CIF linebacker Paul Franklin who made nine primary tackles and added a key interception. Other defensive standouts included cornerbacks Curtis Jones and

Robert Pratt who intercepted passes that thwarted substantial Saint drives.

Valley looked toward the upcoming C.I.F. play-offs with high hopes. They tied for third place.

The Valley girls' tennis team, under the direction of Coach Bob Render, showed great dedication and skill as they met their opponents in the Century League.

Captains of the team were Yoko Coleman and Rasmi Heyer, both juniors. Sue Brokaw, Rasmi Heyer, and Yoko Coleman led the scoring. With the loss of only three seniors, Smith, Wilson, and Brokaw, Valley looks forward to an even stronger group of netters next year. # Valiant Falcon Effort

Narrowly missing the C.I.F. 3-A playoffs, Valley's 1978 water polo team, under the able direction of Head Coach Don Cholodenko, was this year's Century League cinderella team.

Led by co-captains Pete Hejny and Rob Sparacio, the Falcons finished fifth in one of the toughest leagues in the nation. Henceforth, Cholodenko's crew placed five men on the coaches All-league team. Those selected included Steve Casperite, Bob Dore, Ken Dore, Hejny, and Sparacio. They also compiled a 7-8 seasonal record.

Furthermore, with this year's fine finish, four varsity returnees, and an excellent crop of underclassmen, Valley's 1979 water polo team can look forward to bigger and better things.

# Harriers Were Fierce Competitors

Competing in league and invitational meets from September to November, the varsity cross country team ran with both spirit and pride. Characteristically, the runners trained morning and night throughout their season. This additional conditioning kept them in great shape which proved helpful in their meets. The varsity cross country final league standings did not adequately describe their dedication and ability. Because of the excellent competition and the lack of experienced runners, the team, led by William Ibach, placed seventh in Century League standings. Prospects for next year look good, according to Coach Jim Conlay, since training has already started for next year's cross country season.

Ah, no you don't!

Valley has never exactly been a power in cross country, but if the '78-'79 frosh-soph team was any indication, that impression is rapidly changing. According to Head Coach Jim Conlay, this year's freshmen, as a group, may be the best to ever don a Falcon uniform. Combined with an excellent crop of sophomores, Valley is eagerly awaiting the start of the 1979 cross country campaign. Led by Jesse Aguilar (9), Maurice Law (9), and Anthony Wells (10), the soph-frosh harriers finished fourth in the Century League Finals sporting a fine 4-3 dual meet record. Furthermore the youthful Falcons faired well in Invationals with two first, one second, and one third place finish.

# Girls Cross Country

The 1978 version of Valley's girls cross country team ran high on underclassmen. With only one senior returning (Mabel Durand) the girls had a somewhat disappointing season in that they finished with a 0-6 dual meet record and a lack lustre seventh place finish in the Century League finals. Some of the Falcons primary problems, according to Caach Eddie Steward, were depth, ineligibility, and injuries. Nevertheless, Tina Carver, Durand and Motoko Yokoyama performed exceptionally, Nadine Aguilar, Lucretia Green, Nancy Norby and Tona Shroyer have shown great promise for the upcoming season. Putting in many miles a week, the girls performances in Invationals were outstanding. Leading the Falcon entourage were team captains Carver and Durand who repeatedly received individual awards.

"The 1978 Cross Country season was a year full of frills and thrills. But, yet it was a season that I will never forget. As a senior, I feel that I learned a valuable lesson, It's not whether you win or lose, it's how you play the game. Furthermore, as I prepare to go on to college, I will always remember the thrill of competition that I have witnessed as a member of Valley's Cross Country Team!"

## '78 - '79

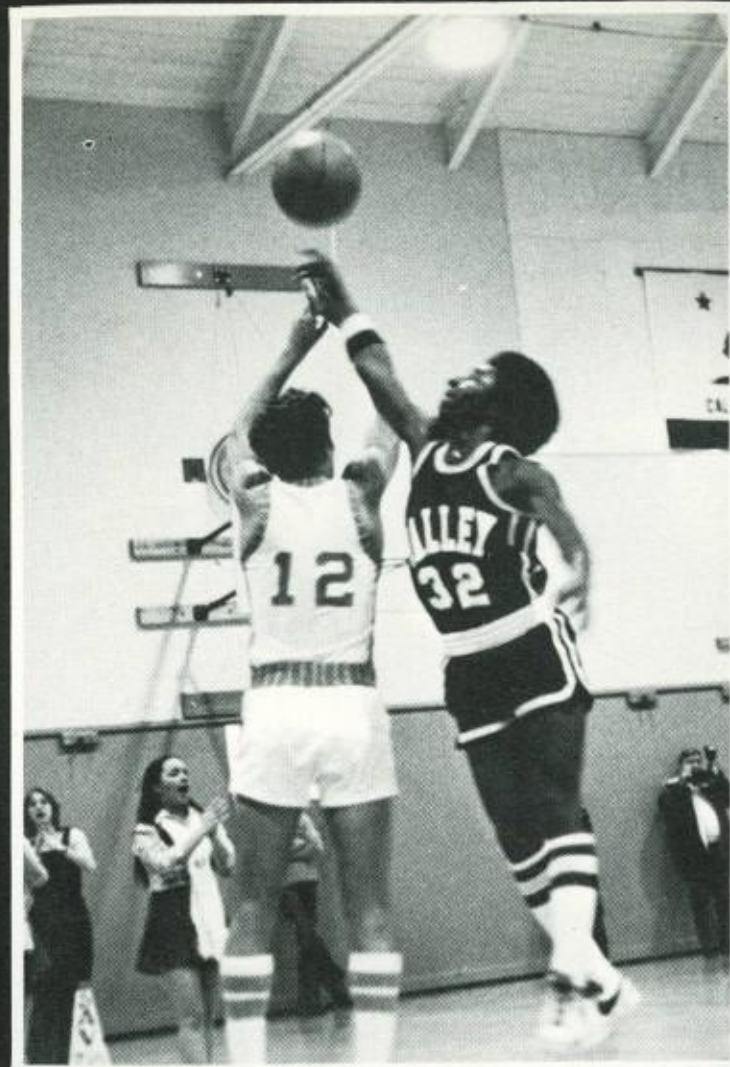

# Falcons Dip It With Class

Basketball, one of Orange County's most prolific sports, disrupted traffic, stirred up family arguments, turned cocktail hours into chaos, and gave the Southland a basketball hangover that will last until the 1979-80 season begins.

Quite simply, new head coach Phil Matthews built a team capable of challenging Santa Ana and Orange in the Century League cage race. Furthermore, out to improve on a lack lustre 1977-78, 4-20 mark, the 1978-79 Falcon cagers posted a 12-9 seasonal record while also entering

post-season play as a third-place participant.

Led by 6-5 All-County center Tony Neal, Valley concentrated on an effective passing game offensively using a variety of combination defenses to stymie opposing offenses.

Moreover, Valley also received impressive performances from All League Junior guards Lionel Horn and Ricky Stokes. Tabbed to finish in the county cellar by many handicappers, the youthful Falcons made believers out of all Centurions despite the mid-season loss of 6-6 standout Willis Thomas.

Beginning their 1978-79 campaign with the La Quinta and Santa Ana Basketball Tournaments, Valley, was to say the least it unimpressive. Committing turnover after turnover, after each game defeat prevailed. But, after a most inspirational pep talk by Matthews, the cagers came out smoking for league play.

Despite an opening overtime upset to the Tustin Tillers, Valley came on strong to upset highly praised Orange in the second game of the season thus, causing a five way log jam for first place. From this point on the Falcon Cagers, in a sense, became "Giant-Killers". They didn't stop until they reached the 1979 CIF play-offs.

Meanwhile, with one C.I.F. appearance under their belt and the starting five back in tact, nothing but promise lies in the Falcon path .....

Led by the consistent playing of seniors Karen Scott, and Cora Jacobs, the girls basketball team completed a successful season in Century League play.

The squad showed great skill which worried their opponents all through the season. Valley's 1979 Cagerettes were probably the strongest team in Valley's history.

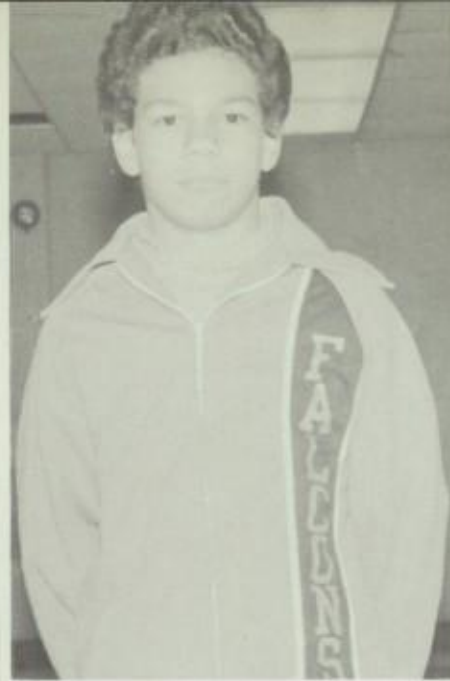

# Mat Men Place High In League

The Falcon grapplers kept up their spirit of winning and pinning season throughout the tough Century League. With only a few varsity matmen returning, Valley did well in league play. Among the outstanding grapplers were Tom Lamere, Alex Duarte, Russell Cable, and Tony Russell.

## "They Had League Potential . . ."

The girls' softball team began the season with a great spirit of team togetherness. Everyone worked for the glory of the group and tried hard to win every game.

The girls got along like one big family, according to Miss Anita Chacon, coach. Under the leadership of Cindy Griffin, Sue Brokaw, and Terry Cole, team captains, this energetic group of young women athletes showed enough potential to take the league and advance to C.I.F.

Throughout the four years in high school, most students try to accomplish something that will make each of their years stand out from the rest. Sometimes what they do is good, sometimes it's bad; but nevertheless, it's something that will be remembered.

Being editor-in-chief of the Talon has made my senior year the most memorable. It has given me the opportunity to contribute something to my school, to work with a group of talented people, and to gain experience and knowledge about journalism.

Without the help, ideas, and endless support of our advisor, Mrs. Elaine Stuckey, the yearbook would have never gotten underway. Working long and hard at deadline time, Mrs. Stuckey always managed to keep our heads above water and the publishers off our backs. Thanks a lot, Mrs. Stuckey, you're really great!

The 1978-79 Talon staff was exceptional. Not only did we produce a superior yearbook, but also we had a chance to become friends.

Susan Gnesda did a great job with academics and she willingly helped out whenever needed. Zoe Sutton took the task of freshman class, and put her talent to work to enhance the class of '82 as did Sherry Ramos and Carlos Pagan with the sophomore and junior classes. Keigh Lee Smith and Donna Wager did a terrific job to help the mighty senior class of '79 remember "...the way we were". They were also busy "taking care of business." As big thanks to the four-year vets, Mandy Coulter, Debbie Camp, and Michi Gelzhiser from whom I learned a lot. Michi, as always, did a great job as sports editor with help from Salvador Llamas, Paul Lujan, Ronald Reeves and Monica Aguilar. Debbie and Mandy delighted us again with the smashing activities section. Alvin Tate was invaluable as our go-for.

Theana Roehm and Susan Stacey displayed our faculty with great taste, <sup>with HUH</sup> and Kevin Hobel and Mark Johnson did a great job with one of the most difficult sections, organizations. Lilly Lopez did wonders with the advertisement section. The photographers had perhaps the most difficult jobs of all. It was not easy to capture you, the students, in motion, and make prints before the negatives got lost. With Ricky Thompkins as head photographer, Richard Morris, Paul Nguyen, Anthony Rodriguez, Bobby O'Campo, Renere Lopez, Lezlie Callahan, and Tom Lamere as photo editor all did a fine job providing the staff with pictures. A special thanks goes to Mr. Ron Stoker, Mr. Ron Rogers, Robert Colacion, K. Yoshino, and Albert & James Studios for their contributions.

Finally, to my staff, thanks for all of your hard work, your devotion, and for putting together a yearbook that we can all be proud of.

Love,  
Jaymi

I really didn't like you  
a lot but now that I'm

a helpful person. I'm just sorry that it turned  
out this way. But I think you can agree that it  
wasn't my fault. Good luck with life. you've got
